ABOUT THE CIA

The Certified Internal Auditor is the premier certification offered by the Institute of Internal Auditors (IIA). CIA candidates should fulfill requirements related to education, experience and ethics, among others. CIA candidates are expected to:

- Possess current knowledge of The IIA's International Professional Practices Framework (IPPF) and demonstrate appropriate use.
- Be able to perform an audit engagement with minimal supervision in conformance with The IIA's International Standards for the Professional Practice of Internal Auditing.
- Be able to apply tools and techniques to evaluate risks and controls.
- Demonstrate knowledge of organizational governance.
- Apply knowledge in business acumen, IT, and management needed for internal auditing.

For more information, please visit the IIA website and read the Certification Candidate Handbook.

PROGRAM DESCRIPTION

The **CIASP CIA Review Online** Program is a unique and intensive program that will prepare the participants to hurdle the CIA examination. The program will be delivered through online webinar format to be flexible and adaptable to the needs of the participants. The program uses an effective methodology to deliver a comprehensive range of subjects covered in the CIA exam syllabus. The program will be taught by subject matter expert(s) who are also topnotchers in the CIA, CISA and CPA exams.

The CIASP Program has already produced successful CIA examinees.
